In re Application of : Marie Angelopoulos  
Serial Number : ~~09/493,210~~ 09/492,210 T.W.  
Filing Date : January 27, 2000  
Examiner : R. Rocchegiani  
Group Art Unit : 2825  
For : DATA PROTECTION BY DETECTION OF  
INTRUSION INTO ELECTRONIC  
ASSEMBLIES  
TO: The Honorable Commissioner of Patents  
and Trademarks  
Post Office Box 1450  
Alexandria, VA 22313-1450

**PETITION TO DETERMINE STATUS OF APPLICATION  
OR IN THE ALTERNATIVE, PETITION TO REVIVE AN APPLICATION  
FOR PATENT ABANDONED UNINTENTIONALLY UNDER 37CFR 1.137(b)**

The undersigned, as Attorney of Record, submits this Petition to request that status of the above-identified application be determined and Applicants be advised thereof.

The Examiner sent a Notice of Allowance Official Action relating to the instant application to Applicants dated October 5, 2001. Applicants filed the completed form on December 21, 2001 and received a stamped post card receipt indicating the response was received on December 27, 2001. Copies of the transmittal sheet and postcard are attached hereto as Appendix A and Appendix B.

Adjustment date: 01/28/2010 CKHLUK  
08/21/2009 ANGUYEN 00000053 021651 09492210

01/28/2010 CKHLUK 00000026 021651 09492210  
01 FC:1501 1280.00 CK

Applicant's Attorney states that he has not received any further communication from the USPTO relating to the instant application since the filing of the Notice of Allowance papers. An attempt to reach the Examiner was unsuccessful as he apparently is no longer with the Examining Corps and his phone number as listed in an Office Action is no longer in service. The attempt to review the case on Public Pairs was also unsuccessful as it is not available for public viewing.

Because this instant application has commercial potential, Applicants' attorney seeks to expedite the processing of this matter. For that reason, in the event that the instant application has been abandoned, and the enclosed Issue Fee Transmittal Form and copy of the postcard receipt are too old to warrant acceptance in view of the time period that has elapsed, Applicants request that in such event, the attached *Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR 1.137(b)* be considered for action to revive the application.

If the Petition's Examiner determines that such is the case, Applicants submit the following information necessary to support the petition to revive.

1. The Petition Fee is \$1620.00. The Commissioner is authorized to charge Deposit Account 02-1651 for the fee of \$1620.00
2. The Issue Fee Transmittal reply is enclosed with the authorization to charge.
3. No Terminal Disclaimer is required.
4. The delay in filing the paper was unintentional as it was thought by Applicants' Attorney that the form and issue fee had been properly submitted so no further action was necessary. It was only after a status check request that the omission to check sooner became apparent to Applicants' Attorney. The delay was unintentional.

Please change the address in your records for the above-identified application and direct all future correspondence concerning same to:

**WARNING:**

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent.
